SEE WHAT FOLKS ARE SAYING

Erica from Chicago writes:
Hi, I am very interested in playing baseball. As a girl, it's hard to find anything around my area to play, besides fast pitch girls softball. I've been playing baseball (with boys) since I was 7 or 8. I see that you have 14u and 15u. I am 17 years old, senior in high school, is there anything for me?

Adriana from Chicago writes: I'm 16 years old and I love to play baseball, softball never really got my attention but that's all I can play in my high school and I really don't like it as much as baseball. Then I saw the Pioneers on the news and thought maybe it would be a good place for me to try for. I would like to know more about it.

Gabrielle & Andrew from Winnetka, IL write: Our daughter (age 13) had a fabulous time at her first NSBL game. This will be the third summer she's watched her younger brother play travel ball, and thanks to you all, she now has her chance. You're the best!
